315 N. Constitution Ave., New Freedom, PA 17349

*Welcome to St. John the Baptist Catholic School. After years of planning and anticipation, we proudly open this school to our parishioners and neighbors.*

*The school will provide our students with a learning environment that focuses on achieving individual needs while building strong character through respect, confidence and Christian moral principles.*

*The school will actively work with parents to develop the child's whole being and achieve their highest academic potential.*

*Your children will be greeted each day by exceptional teachers and staff. They will recognize the grace of God in their young lives and work as a team to explore knowledge through respect for each other.*
